

Eligible Novated Lease Vehicle Running Costs

Running Costs

- You are able to claim running costs for your novated lease
- Items which are improvements to the vehicle which would increase the capital cost are not able to be reimbursed
- Any **replacements** to the items which were on the vehicle at settlement are **able** to be reimbursed
- The following list details what is currently available for reimbursement (if not a replacement item)
- If you require a reimbursement or payment of an expense incurred on the vehicle, you must complete the relevant payment/reimbursement claim form available at remservlease.com.au
