(d) This declaration is valid from to

Dates should be for half yearly periods to end of March or end of August or other date if not in property for full six months.

I declare for the period the remote area housing rent/remote area residential fuel benefits were provided, I was a current employee of the Queensland Government for the whole of the occupation period during the FBT year.

My usual place of employment is located in an eligible remote location as determined by the Australian Taxation Office, for the period of my employment covered by this declaration.

I declare that the address to which this declaration relates is the address where I usually reside in an eligible remote area residential location for the period covered by the declaration.

I declare that I have not claimed reimbursement or have had any rent paid by my employer.

I declare, where the remote area residential benefit is claimed while undertaking a temporary placement or secondment, that I did intend to return to my usual place of residence once the temporary placement or secondment was completed.

I understand that it is my responsibility to resubmit this declaration if I change address or employment location, as both my address and employment location must be deemed to be remote for taxation purposes to be eligible for this concession.

I understand that it is my responsibility to resubmit this declaration if I cease to be a current employee of Queensland Government during the FBT year (1 April to 31 March) and continue to occupy the residence for which claims have been made.

I undertake to advise my salary packaging administrator of any change in my circumstances that could affect this concession. I understand that if I fail to do so that any FBT liability incurred for rental payments is payable by me.

I understand that I will be required to provide this declaration again in August and February of each year and that if this is not provided by the due date that the benefit will not be treated as remote area for FBT purposes.
